If you have private insurance, please contact your insurance provider about services or therapist/counselors who may provide services that you can access. This matrix does not include those providers. Most often there is a phone number on the back of your card or a website that will have this information. Or you may call some of these providers listed and ask if they participate with your insurance.

Rights of Minors Mental Health Code Section 498m

If you are a minor, 14 years of age or older (between 14 and 17), you have the right to ask for, and receive, outpatient mental health services (not including psychotropic medication or pregnancy termination referral services) without the consent or knowledge of your parent or guardian. These services are limited to 12 sessions or 4 months for each request.
