

MAMMOGRAM PARTY

In an effort to encourage women to have a screening mammogram, Allegan General Hospital (AGH) is now offering Saturday morning Mammogram Parties throughout the year.

WHAT

Each Mammogram Party will include pampering, health education, music, refreshments, and an annual screening mammogram. Schedule your appointment with a girlfriend, sister, mother or coworker.

WHEN

Mammogram Parties will be offered on the following Saturdays in 2017, from 9:00 a.m. to 2:00 p.m.

Saturday, September 30

Saturday, October 28

WHY

Early detection saves lives. AGH's Spirit of Women program has created a fun and relaxing environment to take the drudgery out of mammograms.

You do not need a physician referral to sign up; however, mammogram appointments are required. To schedule your Mammogram Party appointment, call AGH's Radiology department (269) 686-4210.

**FREE screening
mammograms
available.**
